Under the careful, thoughtful, and excellent guidance of the Old Ford Board of Education, the Old Fort School has rapidly expanded.

In 1964, fourteen new typewriters, a new calculator, and typing desks were purchased; a new pump was installed in the high school; a new vacuum cleaning machine was purchased; three sets of aluminum doors were installed; 103 new windows were put in the old building; and shower room repairs were made.

The first summer session was held in 1964. The six-weeks Typing I class, instructed by Mrs. Helen M. Newman, received a good response. Also, a summer school for migrant children was held for six weeks.

At the beginning of the new school year, Mrs. Lester Stiger, and Mrs. Arthur Mehaffey instructed the three-month class for the migrant workers.

All these excellent improvements were made possible by the voters of the Old Fort School District, and the careful planning of the Old Fort Board of Education.

Senior Will

We, the Seniors of '65, understanding that we are the most talented class ever to graduate from Old Fort High School, do hereby will the following:

To the Juniors we will our supreme intelligence; hoping they will make more use of it than we did.

To the Sophomores we will our great athletic and musical ability in hopes that they can use our near super-natural ability to a high degree of success.

To the Freshmen we will our most priceless possession, our lockers, in hopes that with some kind of miracle they will have them cleaned out by the time they graduate.

With great confidence in that famous lawyer, Mr. Joe Omler, we leave with him all the legal matters pertaining to our will.

I, MARTHA ADELSPERGER, will my ability to sneak into the commercial room to Linda Huber in hopes she does as well as I did.

I, KAY AUSTERMILLER, will my blue eyes and blonde hair to Susan Shaffer in hopes she can use them better than I did because blondes really do have more fun.

I, JANET BOCK, will my ability to worry about nothing important to Bonnie Barto in hopes that she won't find time to use it.

I, NANCY BYRNE, will my walking ability from the library to the study hall to Mr. Lutz, so he too can have a slim trim figure like I have.

I, CHERYL DEEDS, will my marvelous way of not getting caught for talking all the time to Barbara Rau.

I, ORPHA GARZA, will my luck in everything I do, to anyone who thinks he can improve it.

I, SUE GILLMOR, will my ability to drive not faster than 40 M.P.H. to David Whitman, in hopes he does better than I did.

I, DORIS FRY, will my ability to fast dance (monkey, etc.) to Danny Cleveland in hopes he will dance as well as he did at the Freshman Dance.

I, GRACIE FLORES, will my driving ability to my father in hopes he can keep the car on the road as well as I have done.

I, CARMEN GONZALEZ, will my uncontrollable mop of hair to those T.V. commercials who claim you can make your hair do what you want it to.

I, ROSALYN MOLYETT, will my height of 5'9 1/2 to any short girl who wants to be tall.

I, RITA MORTON, will my ability to have fun at parties on Friday nights to Jim Steyer who already has a good start.

I, SHARON RENNINGER, will all my good looks, talents, and pleasing personality to any underclassman who is not yet conceited.

I, SUSAN SHEIDLER, will to Linda Wickert my old two-piece bathing suit, so she will be properly dressed when she gets the urge to go swimming at 1 A.M. again.

I, JEAN SUFFECOOL, will my ability to go steady to Jean Abbott in hopes she will do better than she has been doing.

I, CYNTHIA TOLENTO, will all those glorious days in high school to anyone desperate enough to want them.

I, LYNDA WILSON, will my height to Mr. Bruggemeier so he won't be as big a "goof" as he thinks he is.

I, KAREN WISE, will my waistline and height to Mr. Goddard in hopes that he will be able to sit closer to the lunch table and won't have to look up to the seniors anymore.

I, DONNA ZIMMERMAN, will my squeeky voice to anyone who wants it and has the courage to use it.

I, MARSHALL BLUE, will my spare "slick" on my '61 chevy to Kathy Renninger in hopes that she can get it retreaded before I have a flat tire from driving at "normal" speeds.

I, FRED BOWERS, will all my girl friends, except one, to any boy who wants or needs experience.

I, DAVID BRANDYBERRY, will my piano playing ability to Jane Ransom in hopes she can use it as well as I did in helping Mr. Wurzel because he needs a piano player.

Class History

On September 6, 1953, fifty-three (53) anxious six-year olds converged on Old Fort School. We were started on our twelve year journey by Miss Day and Mrs. Mosier. This year we learned to print, read, and do some arithmetic.

Of the fifty-three (53) original students, twenty-seven (27) remain to graduate. They are: Kay Austermiller, Marshall Blue, Nancy Byrne, Daniel Colvin, Jerry Cunningham, Cheryl Deeds, Charles DeRan, Doris Fry, Michael Gabel, Sue Gillmor, Carmen Gonzalez, Ron Johnson, Ronald Haugh, Steve Laird, Charles Lynch, Rita Morton, Tom Nickel, Bill Shaull, Susan Sheidler, Bob Steyer, Jean Suffecool, Cynthia Tolento, Charles Wilbert, Lynda Wilson, Karen Wise, Donna Zimmerman, and Richard Zimmerman.

Mrs. Witter and Miss Badertscher guided us through second grade. Tom Kear, Douglas Daubert, Bob Mestrez, and Michael Malcom joined our class with Sharon Norris, Dianne Wobig, Harold Nye, Brenda and Phillip Wilson, Hugh Rathburn, and Marion Shaffer leaving us. A highlight of our second year was that we learned to write.

In third grade Miss Gammill and Mrs. Chaney urged us forward. This year saw Martha Adelsperger, Janet Bock, Rosalyn Molyett, Sharon Renninger, Suezanna Ferstler, Danny Bowman, and Paul Matthews added to our number. This year also, saw us moved into the new elementary building.

Mrs. Sanford and Mrs. Snyder were our teachers in fourth grade. Jim Mangus, Dan and Pete Cantu, and Gary Chaney joined our class while Michael Malcolm, Sharon Price, Larry Barker, Nancy Mullholand, Cheryl Bridinger departed. This year we presented our first assembly programs.

Mr. Bare and Miss McClenathan taught us in fifth grade. Tom Kear and Nita Adams left our class. Everyone showed a great interest in our new subject--Science.

In our last year of elementary school, Mrs. Cloutier and Mrs. Halbeisen were our teachers. David Brandyberry, David Lynch, and Orpha Garza joined us with Douglas Daubert and Richard Ball departing from our ranks.

In Junior High, Mr. Swihart aided us through seventh grade. Fred Bowers joined us while Robert Faber, David Lynch, and Suezanna Ferstler left. Mr. Burton was our advisor in eighth grade. Gracie Flores, Tom Roth, and Sharon Price increased our number with Paul Matthews and Suzanna Miller leaving us.

As Freshmen, Mr. Lutz was our advisor. This year saw John Zablocki added to our class while Debbie LaFountain left us. Our class officers were President-Dan Colvin; Vice President -Gary Chaney; Secretary-Janet Bock; and Treasurer-Dan Cantu.

Mr. Hosterman was our advisor our sophomore year. This year saw Gary Chaney depart from our class. Our officers were President-John Zablocki; Vice President-Sharon Renninger; Secretary-Martha Adelsperger; and Treasurer-Tom Nickel.

As Juniors, Mrs. Newman and Mr. Austermiller were our advisors. Nora Calvert and Harold Ulmer were added to our group. Our officers included: President-Dan Cantu; Vice President-Tom Nickel; Secretary-Jean Suffecool; and Treasurer-Dan Colvin. This year's activities included the selection of class rings, the presentation of our class play, "One Foot in Heaven," and our Junior-Senior Prom, "Stairway to the Stars."

Mr. Goddard and Mrs. Newman were our advisors our senior year. Nora Calvert left our ranks. Our officers included: President-Dan Cantu; Vice President-Dan Colvin; and Secretary-Treasurer-Tom Nickel. This year saw a class of forty-two (42) students presenting the play, "Rose of the East Side," having pictures taken, editing an annual, and preparing for our graduation day.

Class Prophecy

Some years ago, after graduation in 1965, the senior class started living a normal life. Let's go back and see what some of them did. Oh yes, first of all there was MIKE GABEL, who owned the greatest swine farm in the North. BOB STEYER had gotten jealous and was trying to bring on some real swine farming competition. They finally became partners later on. There was also BILL SHAULL, who was having trouble with his diseased beef cattle. This disease had to be stopped. One of Bill's truck drivers, PETE CANTU, saw his trouble so he recommended the best veterinarian, JOHN ZABLOCKI. The trouble was fixed when our government worker, JANET BOCK, came to inspect the farm.

I remember that the business teacher, CHERYL DEEDS, was having trouble with her big business. She went to an accountant named RONALD HAUGH for help. There was little success here, so she went to the Public Accountant, DAN CANTU, who at the present time was helping the truck driver ED COLGATE, who worked for the FRED BOWERS Plant Nursery, plan his budget. Dan Cantu's IBM Operator, JEAN SUFFECOOL, solved Cheryl's problem. MARTHA ADELSPERGER, Fred's secretary, was computing the cost of the plant that was to give off enough breathing oxygen to supply at least forty people on a trip to the Universe. And if the berries were eaten by someone, he would feel and look twenty-five years younger. The chemistry and physics teacher, TOM ROTH, with the help of JERRY CUNNINGHAM had been experimenting with plants and had come up with this particular plant.

The history teachers, MARSHALL BLUE and HAROLD ULMER, said that back in history there had never been such valuable experiments. The Plant indeed was very valuable because now in 1990 we are experiencing the most fantastic trip ever taken by the senior class of 1965.

After getting all our classmates together, Dr. Roth brought in the berries from the plant and the seniors ate. Now we are at the age when we graduated.

First we saw RONNIE JOHNSON, our mechanic working on the space ship which would take us on the trip to see the Universe. Also we saw STEVE LAIRD, the electrician, fixing the lighting in the ship. All the teachers--SHARON RENNINGER, LYNDA WILSON, KAREN WISE, DONNA ZIMMERMAN, DAN COLVIN and DAVID BRANDYBERRY--seem very busy passing on their knowledge to the rest of the class. We want the seniors well educated before the trip.

Next we saw CYNTHIA TOLENTO and CARMEN GONZALEZ, the Fashion Designers coming in from Paris with the Space Suits they've made for each senior member of the class. KAY AUSTERMILLER was busy as a physical education teacher getting everyone in good physical condition.

The Congressman, TOM NICKEL, had approved the trip so everyone continued his duties. ROSALYN MOLYETT, medical and X-ray technician was now checking each member before the flight.

Our ship was ready now. DORIS FRY, the stewardess, was trying to comfort everyone. ORPHA GARZA and GRACIE FLORES, the nurses are ready to look after any sickness that may arise from take-off. NANCY BYRNE and RITA MORTON are at their Speed Recording Secretary's Desks ready to record speed rates. SUE GILLMOR and SUSIE SHIEDLER, the altitude secretaries, are ready for recording also. Our pilots, BOB MESTREZ and CHARLES DERAN, are at their places starting the ship.

We're off at last! During the trip the race drivers, CHARLES LYNCH and RICHARD ZIMMERMAN, decide they want to run the ship; so they coax the pilots to let them take over the controls for a few minutes.

The Universe is so exciting!! Two days have passed and it's now time to get back to our jobs on earth. On the way back when we made preparations for landing, we could see CHARLES WILBERT, the forest ranger, putting out a forest fire.

The Class of '65 was so busy with preparations that they forgot to inform Charles about the trip.

I, DAN CANTU, will my ability to get along with teachers to Ronnie Terry in hopes that he can use it.

I, PETE CANTU, will my slow careful driving ability to Sue Mowery who could surely use it.

Junior Play

On April 17, 1964, the Junior Class of 1964 presented the play, "One Foot in Heaven," directed by Mrs. Shirley Oleson.

The play was about Mr. Spence and his family who lived in a little town of Laketon, Iowa, in the year of 1910.

Senior Play

On November 6, 1964, and also on November 25, the Senior Class of 1965 presented the play, "The Rose of the East Side," a comedy given twenty-three years ago by the same director, Mrs. Helen M. Newman.

This is the only play in the history of Old Fort High School that has been given by two different classes and each class giving a second presentation.

The setting of the play is in New York's East Side about the time of 1920.

Acknowledgments

The entire Senior Class of Old Fort High School wishes to express its deep appreciation for the extensive help given to us by the support of our advertisers, patrons and sponsors. We fully realize that without that support our yearbook would have had to curtail some of the features that make our book more interesting and desirable.

This year's issue of "The Trail" sold nearly 400 copies and will be read by many times that number of people interested in the activities and accomplishments of our student body at Old Fort High School.

"The Trail" Staff wishes to request that all our friends please mention "The Trail" when they make purchases from our advertisers. In that way we may continue to merit their support and at the same time provide them with a valuable advertising service.
